

## Carterton Kindergarten

# All creatures great and small

We would like to thank Ka Pai Carterton for supporting our recent excursion to Pūkaha, Mount Bruce, enhancing our localised curriculum here at Carterton kindergarten.

Tamariki had the opportunity to make links to Te Ao Māori, in

particular links to atua Tāne Mahuta, Ranginui and Papatūānuku in a place-based educational setting while seeing the multitude of creatures Pūkaha has to offer.
